

Parent Academic Boosters Resumes this Year!

Do you want to help out at school without having the long-term commitment of a committee member? Would you just like to come to encourage a young person?

B.C. Central's Freshman Parent Volunteer Committee will return this school year as an expanded *Parent Academic Boosters*. This school organization is **open to all parents, grand parents, guardians of students of all grades, and other concerned adult Community members**. This unique group of adults will help boost academics, attendance and other school activities in practical, hands-on ways. Regardless of your work schedule, there's a way you can support our Bearcats! Call the Sophomore Office at 965-9546 to find out how!
